

Let it snow!

You'll need:

White tube sock
Measuring cup
Uncooked popcorn kernels
Yarn
Needle
White thread
Craft glue
Buttons or beads
Orange toothpick
Material scraps
Ribbon

1. Fill tube sock with 1 1/2 cups of popcorn.
2. Tie and knot yarn just above popcorn to create snowman's lower body. Trim yarn ends.
3. Fill sock with one cup of popcorn and tie off to create snowman's middle section.
4. Fill sock with 1/2 cup of popcorn and tie off for head.
5. Fold top of tube sock over to make a winter hat.
6. Ask a parent to stitch hat to snowman's head using a needle and thread.
7. Glue on buttons or beads for snowman's eyes and mouth.
8. Poke orange toothpick through snowman's face for a nose.
9. Glue buttons on snowman's middle section.
10. Cut scrap material into a scarf and tie around snowmans' neck.
11. Decorate snowman's hat with ribbon and a button.
12. Use you snowman as a Christmas decoration or give it away to a friend!
