

# LIFE POINT 4: DILIGENCE

Do you know what the word diligence means? It is a big word that means to not quit; to never give up; to press on.

Have you every tried something that was really hard the first time that you did it? As an MK it might be learning another language, making new friends, or even getting used to a new country.

Do you know how to ride a bicycle? The first time that you ride it without training wheels it is really hard to keep your balance. The longer you try the more you get used to it. That is like being a Christian. We have to follow after Jesus daily.

1. What have your done to be diligent?
2. What do you need Jesus to help you with in this area?

Dear Jesus help us to be diligent in following you! We love you Jesus!

“But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.”

Hebrews 11:6
