

LIFE POINT 5: EXCELLENCE

Do you know what the word excellence means? It is a big word that means to be the best that you can be in any situation.

Has your Mom or Dad ever asked you to do something and you really wanted to do it fast? Like cleaning your room. You might have shoved everything under the bed instead of putting it away. That is not what we are talking about today. Then there are times that we take our time and clean our room the right way– that is showing excellence. Esau was a twin in the Bible that did not make good decisions. He sold his birthright– or all of his inheritance for a bowl of soup. Does that sound like a good decision? It wasn't. Sometimes we want to have what we want right away. Excellence is hard because it is a process. Jesus wants us to be the very best MKs that we can be.

Dear Jesus help me to be the best MK that I can be and show excellence today.

“I pray that your love for each other will overflow more and more, and that you will keep on growing in your knowledge and understanding.”

Philippians 1:9
