

LIFE POINT 6: FRIENDSHIP

Are you a good friend? You is your best friend? Do you have friends that you are closer to than others?

The Bible tells us about two friends that were really closer in the Bible. Their names were Jonathan and David. They remained close friends even though Jonathan's Dad did not like David at all. Later on when Jonathan died David honored his friend by taking care of his son.

As MKs sometimes we miss our friends and family in the North America. Did you know that your friends will not forget about you? They are praying for you and love you very much. They miss you as much as you miss them. Did you know that the Bible tells us that we have a very special friend? His name is Jesus—the Bible tells us that he is a friend that sticks closer than a brother.

Thank you Jesus for being our forever friend!

“.....there is a friend that sticks closer than a brother.” Proverbs 18:24
