

The One True God!

Long ago there was a bad king that used to rule Israel. His name was Ahab. He did not love God. He worshiped gods made of wood and stone. God sent the prophet Elijah to tell the king that there would not be rain in his land for many years.

Just like Elijah said— the rain stopped. God told Elijah to go to a safe place where he sent him bread and meat twice a day. It was brought to him by ravens.

Then when the little brook dried up God told him to go to Zarephath and stay with a widow and her son. When Elijah found the widow he asked for food and water. She shared her last cake with him and the Lord provided food for her daily because she was obedient.

Later King Ahab still would not obey the one true God. Elijah asked him for a showdown. They both prepared alters. They both prayed to their god to send down fire to burn up their sacrifices.

The king's prophet's shouted and prayed from morning until evening but there was not even one little spark of fire. Their god was not real.

Then Elijah built an alter to God. He piled on wood and meat, then dug a ditch around it. Do you know what he did next? He poured 12 jugs of water all over the alter. How could it burn with water on it?

He stepped forward and said to God. "Answer me, o Lord, so these people will know that you are God."

Instantly there was a crackle and a pop and the alter burst into flames. The flames burned up the wood, the meat, the water, and even the stones.

The people fell to the ground. They knew that Elijah's God was real. They all shouted "The Lord is God, the Lord is God." They learned Elijah's God was the one true god!

God is True

The prophets prayed, but there's
no fire.

The prophets prayed, but there's
no fire.

The prophets prayed, but there's
no fire.

Their God wasn't real.

Elijah prayed, and God sent fire.

Elijah prayed, and God sent fire.

Elijah prayed, and God sent fire.

Our God, he is True!
